

It is the policy of Universal Academy Open-Enrollment Charter School to use IDEA Part B amounts received to:

1. comply with the federal maintenance of effort (MOE) requirements;
2. supplement State, local and other federal funds and not supplant such funds; and
3. pay the excess costs of providing special education and related services to children with disabilities and must be used to supplement State, local, and other Federal funds.

(34 CFR §300.202, 1413(a)(2)).

It is the policy of Universal Academy Open-Enrollment Charter School that having complied with MOE and excess costs requirements, IDEA Part B funds provided to the school will be used for the following activities:

1. for the costs of special education and related services, and supplementary aids and services, provided in a regular class or other education-related setting to a child with a disability in accordance with the IEP of the child, even if nondisabled children benefit from such services;
2. to develop and implement coordinated, early intervening educational services in compliance with child find and general administration requirements, including:
  - early intervening services, which may include interagency financing structures, for children in kindergarten through grade 12 (with a particular emphasis on children in kindergarten through grade 3) who are not currently identified as needing special education or

- related services but who need additional behavioral and academic support to succeed in a general education environment;
- the school will not use more than 15 percent of the amount received under IDEA Part B for any fiscal year, less any adjustments by the school to local fiscal effort, if any, in combination with other amounts (which may include amounts other than education funds), to develop and implement coordinated early intervening services;
3. to establish and implement cost or risk-sharing funds, consortia, or cooperatives for the school itself, or for LEAs working in a consortium of which the school is a part, to pay for high-cost special education and related services consistent with distribution of high-cost risk pool funds;
  4. the school may use IDEA Part B funds to purchase appropriate technology for recordkeeping, data collection, and related case management activities of teachers and related services personnel providing services described in the IEP that is needed for the implementation of such case management activities.

§§300.208, 1413(a) CFR.

Notwithstanding any other provisions related to commingling of funds, Universal Academy Open-Enrollment Charter School may use IDEA Part B funds received for any fiscal year to carry out a Title 1, Part A school wide program under the ESEA, except that the amount may not exceed:

- the amount received by the school under IDEA Part B for that fiscal year; divided by
